# About CAPA

---

CAPA is a statewide non-profit, mutual benefit corporation dedicated to the advancement of the paralegal profession and the proposition that paralegals gain strength through alliance. CAPA represents California paralegals working in attorney-supervised settings and CAPA supports, encourages, and promotes an active relationship among its affiliated member associations, attorneys, national, state and local Bar Associations, and others in the legal community.

CAPA Executive Committee:

**Michele T. Pfeiffer, CLA**

President

**Kristine M. Custodio, ACP**

Vice President, Policy

**Kristine M. Custodio, ACP**

Interim Vice President, Administration

**Dawn Carpenter**

Secretary

**Trudy McQuiddy**

## **Disclaimer and Limitation of Liability**

The materials in this California Alliance of Paralegal Associations (CAPA) Legal Resource Directory are provided “as is” without express or implied warranty. The material in this directory is for informational use only. CAPA does not endorse the individuals, organizations, or companies listed in this directory. CAPA does not warrant or make any representations regarding the use of the results of the use of the materials in this publication in terms of their correctness, accuracy, reliability, or otherwise.

Under no circumstances, including but not limited to, negligence, shall CAPA be liable for any special or consequential damages that result from the use of the materials in the CAPA Legal Resource Directory, even if CAPA or its authorized representative has been advised of the possibility of such damages. Applicable law may not allow the limitation or exclusion of liability or incidental or consequential damages, so the above limitation or exclusion may not apply to you. In no event shall CAPA’s total liability to you for all damages, losses, and causes of action (whether in contract or in tort, including but not limited to, negligence, or otherwise) exceed the amount paid by you, if any, for use of the CAPA Legal Resource Directory.

CAPA would like to thank its Sustaining Members for their continued support of California paralegals and the Alliance. All entries highlighted in yellow are Sustaining Members of CAPA.

---

# Corporations: Information Available from the California Secretary of State

---

## **Provider/Contact**

---

### **California Secretary of State web page**

You can check on corporations, limited partnerships, limited liability companies and limited liability partnerships.

[www.sos.ca.gov](http://www.sos.ca.gov)

---

### **Limited Liability Companies and Limited Liability Partnerships.**

A free preliminary check of the availability of a name can be requested by mailing a completed Name Availability Inquiry Letter to the California Secretary of State's office in Sacramento.

If you check name availability on a recurring basis, you may establish a prepaid account with the SOS's office, which will allow you to request a preliminary check of the availability of a name by phone for a fee of \$4.00 per search. Information about prepaid accounts can be obtained from the California Secretary of State's Accounting Office at (916) 653.1233.

Checking the availability of a name does not reserve the name, has no binding effect on the California Secretary of State and does not confer any rights to a name.

---

### **Limited Partnerships.**

Information can be obtained over the telephone for a \$4 fee: 916.653.1233

---

### **General Partnerships and unincorporated associations**

Check the County Recorder's office for Statements of Partnership or Fictitious Business Name Statements. Also may

---

---

check the city clerk's office for business licenses.

### **INTERNET GRATEFUL MED**

Internet Grateful Med (IGM) has been retired, and the databases that were formerly available through IGM are now available through other search services:

- PubMed/MEDLINE  
<http://pubmed.gov>

- AIDSInfo  
[www.aidsinfo.nih.gov](http://www.aidsinfo.nih.gov)

ChemID, now called ChemIDplus, can be found at <https://sis.nlm.nih.gov/chemical.html>

DIRLINE  
<http://dirline.nlm.nih.gov>

HSRPROJ  
[www.nlm.nih.gov/hrsproj/](http://www.nlm.nih.gov/hrsproj/)

POPLINE  
The POPLINE database is now maintained by the INFO Project at the Johns Hopkins Bloomberg School of Public Health/Center for Communication Programs.  
<http://db.jhuccp.org/popinform/basic.html>

TOXINE can be found on the Toxnet database search page.  
<http://toxnet.nlm.nih.gov/>

# Software Programs

---

---

## Provider/Contact

---

### Word Processing

---

Word processing applications are primarily used for the creation of documents, correspondence, documents to be filed with the court, deposition summaries, discovery document indices, and privilege logs. Documents can be formatted with fonts, indents, footnotes, paragraph numbering, etc.

Microsoft Word  
Corel Word Perfect  
Lotus Word Pro

### Spreadsheets

---

Spreadsheet applications are generally used to sort, chart and graph data, to perform advanced mathematical calculations and to prepare statistical analyses.

Microsoft Excel  
Lotus 123  
Quattro Pro

### Visual Presentations

---

Provides the presentation of information in a visual manner – slide show presentations, text, charts, graphs, pictures, clip art, graphics, spreadsheets and images can be interspersed throughout the presentation.

Microsoft PowerPoint  
Lotus Freelance Graphics

---

## Graphic Design

---

Preparation of graphic files that can be used to visually show an event, a series of events or a structure.

Visuals

---

## Full Text Searching Databases

---

To provide full text search and retrieval of documents, such as deposition transcripts, hearing transcripts, trial transcripts.

Concordance  
Summation  
Discovery ZX  
Folio Views  
ZyIndex  
Live Notes

---

## General Desktop Databases

---

Databases are commonly used to manage data of any sort and any volume. Examples would include names and addresses, document production indices and privilege logs. Databases can be full-text indexed and searched for any word fragment, word, phrases or series. Searches can be conducted on a record level or field level.

Microsoft Access  
Lotus Approach  
Q&A  
DB TextWorks  
Paradox  
Visual Fox Pro  
File Maker Pro

---

---

## Litigation Support Databases

---

To manage the organization and retrieval of key case information in a mass of information. Databases are easy to design and the design can be modified throughout the course of the litigation. Databases can be full-text indexed and searched for any word fragment, word, phrase or series. Data reports can be generated based upon a search or the entire database.

Concordance  
Summation  
BRS  
Basis  
Folio Views

---

## Litigation Workgroup Databases

---

To facilitate the organizing and sharing of key case information between all litigation team members including local or co-counsel and the client regardless of location.

JFS Litigator's Notebook

---

## Trial Preparation Software

---

Assist in the graphic and visual presentation of evidence at trial.

Trial Director  
Trial Link

---
